

## LASH LIFTING AFTER CARE

The below advice is to be followed for the first 24 HOURS after your Lash Lift once this time period is up there is little to no maintenance required making this perfect lash enhancing treatment

Do not get your lashes wet directly in the shower. Swimming should also be avoided during this time.

Allow 24 hours before applying any type of product to your lashes. After 24 hours, you may apply regular mascara, eyeliner, eyeshadow, or any type of makeup products you desire; it will not affect the lashes. However, NO WATERPROOF MASCARAS.

Do not use any oils, lotions, creams, shampoos, face washes, makeup remover wipes or pads on your lashes this can strip the lash tint colour or it may damage the direction of your lift

NO heat, steam (including cooking over the stovetop) or sauna use.

Be cautious not to sleep directly on your lashes (only in the first 24hours does this apply)
